DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

Located one house away from the corner, this 4 story, flat roofed house was originally similar to the 3½ story house on the rest of the block (18 W. Hamilton). The English basement is still there, though with 2-over-2 windows and no bandcourse.

The 2nd, 3rd, and 4th floors are of common band brick, the first floor of Flemish bond. The 6-over-6 windows are proportiately scaled from 2nd to 4th floors, arranged in two bays, and have stone sills and splayed brick lintels. All windows have wood blinds. There is simple bracketed cornice with a wood string course below it.
